

# seminar series pt.<sup>1</sup>

## *Lighting Design and the Implications of Part L*

Flamingbox are delighted to invite you to the first of our free 5-part seminar series, 'Lighting Design and the Implications of Part L', with guest speaker Dominic Triggs (re:light, Bristol). This short after-hours event is aimed at providing you the specifier with invaluable information about home automation and control, and to showcase some of the tools available to you and your clients. These exciting seminars are held in small groups at Flamingbox's exclusive W1 showroom, with drinks and refreshments provided - an ideal environment to wind down after work while expanding your knowledge.

- ◆ Wednesday 10th June 2009.
- ◆ Welcome drinks and canapés 18:30. Start time 18:45. Ending around 19:45.
- ◆ Location: 130a Wigmore Street, London, W1U 3SB.
- ◆ Limited to 6 people. Maximum 2 per company.

*"The key to successful architectural lighting design is part technical know how, part product knowledge and part creativity combined with the ability to visualise the finished result. Only then can an appropriately and flexibly lit space with visual interest and atmosphere be delivered."*
